

## EASA Private Pilot licence Instalment Packages

### About the course

The aim of this course is to train Ab Intio (from the beginning) Students to the level of proficiency necessary for the issue of a PPL(A) in a 2 seat Cessna 152 or 4 seat Piper Warrior PA28.

The Private Pilot's curriculum will be your first step into the exciting world of aviation. You will learn basic aerodynamics, and principles of flight. The flight training follows the EASA syllabus, encompassing 45 hours of flying time, to include pre-flight preparation, ground handling, airport and traffic pattern operations, basic and advanced manoeuvre proficiency, cross country flying, short and grass field operations, emergency procedures and post-flight de-briefs and 9 ground exams conducted in house.

### Pre Entry Requirements

- Minimum 14 Years Old
- Gain Class 2 Medical Prior to First Solo (from 16 years of age)

### Basic Training Syllabus encompassing minimum 45 hrs

- Minimum 25 hours will be dual
- Solo flying plus a solo qualifying cross country flight, landing at two airfields and covering 150 nautical miles
- Pass Licence Skill Test

### Instalment Breakdown

- 1) 8 hours flying, 8 landings, 50 circuits, 3 ground exam
- 2) 8 hours flying, 8 landings, 1 ground exam
- 3) 15 hours flying, 10 landings, 3 ground exams
- 4) 14 hours flying, 9 landings, 2 ground exams

The benefit with the instalment package is that you get flexibility with your money. We all know how many other commitments in life exist, so here at EFG we try make it more cost effective to fly. The package is split up into 4 easy to pay instalments each payable when you start them and with a validity of 6 month per instalment you don't have to worry about going on holiday and coming back without any hours left!

#### What's Not Included

Fuel surcharge, Away Landing fees, CAA and examiner fees. All hours or landings over and above those included with this package.

#### Course fees - 4 instalments

C152 - £2100

PA28 - £2450
